This document was created to provide instructions on how to make a reservation in the Event Management System (EMS). The second portion of the document provides instructions on how to edit and cancel a reservation.

HOW TO MAKE A RESERVATION IN EMS

1. Go to DUL webpage: https://library.duke.edu/using/library-spaces/places-for-events

2. Please read the Guidelines and Procedures at the top of the page. This page contains details on the rooms available for reservation in EMS.

3. Click the blue "Agree & Continue" button at the bottom of the page.

4. Read the Policies. Requests that do not adhere to the policies may be denied.

5. Click the blue "Agree & Make a Reservation" button at the bottom of the page. You will now be redirected to the Event Management System (EMS).

6. Click “Log In with NetID.” This step may require multiple attempts.

7. You will be required to login with your Duke login credentials.
8. Click “Create A Reservation” in the left pane. If you have permission to book, the Library Room Request template will appear below "My Reservation Templates." Click "book now."

9. Enter the event details in the left pane. Reservations must be made at least 5 business days in advance. To search all rooms and their availability, click the blue “Search” button under Locations.
10. Click the green button to the left of the room name to select a room. You may select multiple rooms in this step, based on availability.

Gray time blocks = library closures - NOT available

Blue blocks = scheduled events - NOT available

Tip: Click on the room name to see additional features.

11. Click “Next Step” in the top right-hand corner.
12. Enter ALL the information in the next window. When finished, click the green “Create Reservation” button.

13. Once finished, you will receive this message:

14. Your request will be reviewed, and you will receive a decision via email within 3-5 business days.
HOW TO EDIT A RESERVATION/BOOKING IN EMS
