Mr. Roosevelt Der Tatevasiasn  
Post Commander  
Duke University  
Durham, North Carolina

Dear Mr. Der Tatevasiasn:

This is to acknowledge the funds and report sheets which you sent in.

We are sorry not to be able to keep you better supplied with membership cards and buttons, but thanks to our being somewhat under financed and trying to operate on a national scale, we find it difficult to keep an adequate supply of material in the mails. We will send you more as soon as we can. If the cards do not arrive in time, make facsimilies with the originals when they arrive.

Again congratulations on the success of your presidential candidate scheme. Keep up the good work.

Sincerely yours,

U. J. P. Rushton  
Regional Commander for  
The South
