

April 30, 1936

Lewis J. Gorin, National Commander,
Veterans of Future Wars,
Princeton, N.J.

Dear Commander:

Due to the fact that I have lost Regional Commander Rushton's address, I am having our secretary mail the enclosed data, along with the money, to the National Headquarters.

Our membership has been growing with such speed that we have not been able to keep up with it for lack of the necessary membership cards and buttons. We must have more buttons, for Home Fire Division as well, and membership cards as soon as possible. We have started to sign members and have promised to ~~th~~ have their cards and buttons next week.

We are making arrangements to have Robert T. Bean, our presidential candidate for the 1952 race, speak over the radio station WDNC of Durham. We believe that this will bring valuable publicity for the organization. We have joined hands and are doing our best to put the Veterans of Future Wars across here in Durham.

Veteranally yours,

Roosevelt Der Tatevasian
Roosevelt Der Tatevasian
Post Commander
Duke University
